### Excellent condition!

This 1997 Regal Commodore 2750 Features the patented, award-winning FasTrac deep-vee hull design, the 2750 achieves higher speeds and better fuel economy than other boats of equal size and propulsion due to reduced friction. The principle behind the hull is to reduce the surface tension while the boat moves through the water. The full-beam step forces air beneath the hull to reduce drag and friction while inverted strakes cause the boat to track straight and turn tight. Overall a solid cruiser for the money..!

With a 9 ft. 11 in. beam, this well-appointed family express cruiser offers more cockpit and interior space than most 27...
