This 2007 Sea Hunt Navigator Bay differs from normal Bay boats. Sure they have shallow water draft and a jack plate, but It also has dual casting platforms. On the fishing side, it has two aerated live wells a 9 gallon and a 20 gallon. With a high-speed pickup And a lockable rod storage. This Sea hunt is an extreme Bay boat, more freeboard, and a sharper bow entry and the Carolina flair create a softer dryer ride. What makes this a great boat it has the rear pop seats that make taking passengers more comfortable for everyone. It also has the 8-foot blade power pole. And New Garmin touch screen GPS.
