Totally restored 1996 Hewes Bayfisher! Like new and ready to hit the water!

This 1996 Hewes Bayfisher 16 looks like is just rolled off the Hewes production line. The boat was completely stripped, and the hull was painted on the outside with Awlcraft, inside with Awlgrip, and the deck was done in Kiwi grip. There are newer fuel lines, newer electrical wiring, newer gauges, newer panel, and switches. The Racor filter was replaced. The jack plate has a newer hydraulic pump and lines. The poling platform was custom made for the boat. The push pole is newer as well. The torsion axle on the EZ loader trailer is new.
