GREAT LIVEABOARD POTENTIAL!

The Bayliner 32' Motoryachts are the best selling Bayliner Motoryacht of all time and for a good reason. One only has to come aboard to see the best designed 32 foot yacht ever built. The Hino engine's are practically bulletproof, super simple to work on, and naturally aspirated. Parts are also easily available and at reasonable prices. They are spectacular; fuel efficient, and reliable. All this coupled in a well maintained and newly revamped bridge & salon make this classic a "gem" of a boat! Would make a great liveaboard.
