Less than 4 hours on the Engine! A Beauty! VERY clean!

This is the Iconic Wellcraft 22 High Performance!
Newly Rebuilt Engine. Very Well Taken Care Of!

This 22-foot used Wellcraft is an icon of Very Desirable, high-performance boats. And don't let the age fool you. The owner says this boat is in GREAT SHAPE! When not in the water, this boat has lived inside an enclosed garage.

In 2014 the owner put a newly rebuilt engine in the boat and spared little expense doing so. Now powered by a 1998 330 Horse Power Mercruiser 7.4 MPI LX 330 engine, it's a good thing this Wellcraft doesn't have wings. Otherwise, you might need a pilots license to get behind the wheel.
