2005 Baja outlaw 25 Ultra low hours clean & fast

This Baja Outlaw is ready to go racing or on a poker run. With right around 300 hull hours and less than 15 hours on a new Mercury Racing engine with the virtually indestructible Mercury Racing Bravo One XR drive, it can cruise along or fly across the water as fast as you want to go. The cuddy cabin has bench seating and berth to relax and unwind after a day on the water. You can also enjoy all the recreational water sports with this vessel as well, having the swim pad with the attached swim ladder, ski tow eye-hooks, and even the rear radio controls so you can crank up the tunes.
