## Custom tower, Motor mounted on A porta bracket giving you 12 inches of travel

This 2003 Sabalo 23 is perfect for inshore and nearshore fishing, snorkeling, scalloping, or cruising. The tower gives a tremendous vantage point to see the redfish, trout, and flounder when you are sight fishing. You could add a few removable chairs for extra seating when needed. This style of boat is used by many fishing guides because of its versatility. The 2003 Sabalo 23 could easily go offshore in good weather for that in-season snapper and grouper. This 2003 Sabalo 23 has a newer stereo and 4 speakers and room to add a lower control/steering station.
