Storage Status	Not currently in storage

## 251 WA with lots of extras! Powered by twin Mercury 150 hp Optimax engines recently serviced!

Here is a vessel that can do it all. Whether it's fishing or diving offshore or just cruising with the family or all of your friends, this walkaround will get the job done. The half tower provides ample shade and there is an extended removable rear shade as well.

There's plenty of room forward in the walk around cuddy cabin, which also includes a marine head. There are dual Simrad GPS plotters and a VHF to round out your electronics, plenty of rod holders and rod storage, along with large fish boxes in the deck and a live well in the transom.

The twin 150 Optimax's have been recently serviced, providing ample power an...
