2016 Winnebago Minnie Winnie 27Q! Excellent shape.

Ready to hit the road in a smaller Class C with lower miles that's easy to drive and can fit anywhere? This 2016 Minnie Winnie 27Q fits the bill. Built on the Ford E450 Chassis and powered by the Triton V10, this has a towing capacity of 5,000 pounds. This is presently set up to sleep four with a queen-size bed in the back and a bunk over the cab. The sellers replaced the dinette with recliners, but they do have the dinette in case the new owners want to reinstall it. There's plenty of storage throughout the RV, including a pantry in the kitchen.
