Spacious and solidly built heavy cruising motoryacht.

The only large motoryacht ever manufactured by Wellcraft, the San Remo is equipped to be a long-range cruiser and home on the water.

Able to sleep four in two queen staterooms fore and aft, as well as a few more when needed in the salon, this boat has everything one could need, including a washer/dryer combo and central vacuum, as well as two reverse-cycle A/C systems and a generator.

The main deck has bench seating and a wet bar, the bridge above can seat six to eight, and the salon below a crowd, and that's not counting the large foredeck... a great boat for entertaining a crowd, but also plenty of room to move about...
