This lightly used 2002 Ranger 518DVX Comanche is a terrific value option for those wanting fiberglass over aluminum, want a boat that's tournament-rigged and want a bass boat that's got many more years of hooked-fish in it.

Let's start with the power, this boat was maxed-out with the largest horsepower outboard, a 200 HP Mercury Optimax. All that horsepower on a boat this size means an incredible power-to-weight ratio that's going to get you to your favorite spots in no time at all.

The decks fore and aft are plenty roomy and the boat comes with plenty of storage for your rods, tackle and catch. The gel coat shines as...
