Super nice and maintained Sea Fox 256 Commander. With many added features. Lots of pride in ownership.

If you are ready to move up to a great fishing vessel, this 2012 Sea Fox is the perfect boat for you. This very versatile boat is great for offshore or bay fishing.

The Sea Fox comes well equipped straight from the factory and the owner has added a windlass with stainless anchor, two TACO outriggers with updated lines and snaps. Also with the vessel goes a recently installed Garmin 8612XSV GPS with many Waypoints for the South Padre Island and bay area.

The head is in great shape and clean and is a handy spot for storing items out of the way. All the vinyl is in good shape with only minor seam work needed.
