This Zodiac is powered by a recently rebuilt 2005 Yamaha, with less than 15 hours. The Pro Open 650 is approved under the category B design. Onboard is an ergonomically comfortable pilot station; room for easy movement on board and ample storage space. The captain and co-captain can comfortably lean back on a bolster that also lodges the fishing rods. A two-position cooler is installed between the 2 aft lockers, making a spacious bench; placed under the bolster, it leaves the rear of the cockpit free for fishing.
