Boat always racked and stored indoors! New engines in 2022!

This 1993 Scarab 38 Thunder offers a combination of high-speed thrills and surprising comfort. One of its standout features is the deep-V stepped hull, which provides superior stability and handling at high speeds, especially in rough water--something many other boats in this class struggle with. This hull design ensures a smoother, more controlled ride, even in challenging conditions.

Inside, it offers a surprisingly luxurious yet functional cabin, complete with a V-berth sleeping area, a small kitchenette, and a portable marine toilet--features you don't usually see on boats designed purely for speed. These amenities make the ...
