Triple Axle Keystone Raptor 424TS Toy Hauler w/ King Bed, W/D Hook-ups, Generator, Fueling Station and 3 ACs!!

This 2017 Keystone Raptor 424TS toy hauler is an excellent option for active campers who use anything from SxS vehicles to golf carts at the campground or off-grid.

The unit is well-equipped with a 5.5 kW Onan generator in the basement bay, as well as a 6-point hydraulic auto-leveling system and a third AC unit for the garage area. That comes in handy as the garage also has the powered queen-size double bunk system common to the Keystone toy haulers.

If camp life is outside under the awning, you'll have plenty of space there with the twin awnings, 110 outlets, a propane quick-connect port, and outdoor speakers!
