The Boston Whaler 23 Walkaround is powered by two Johnson 200 Hp engines that can really get this boat up and moving quickly to the fishing grounds. With the unsinkable hull that Boston Whalers are famous for this combination makes for a safe, reliable day at sea. With a fuel tank capacity of 150 gallons and a fresh water tank capacity of 20 gallons you will have no problem being out for the entire day. This boat will cruise at 30 mph and top out at around 50 mph. There is a cabin with a double berth for a little rest during your fishing adventure. The cabin also has a head and a hand basin.

The walkaround design and extra large bow r...
