Custom Rough, Tough, Classy and Fuel Efficient!

Up for sale is a unique downeast fiberglass launch perfect for the discerning gentleman, family boat or fishing as well. This very simple but very well constructed vessel was finished by the quality Maine craftsmen at Farrins boat shop in 1984. <http://www.farrinsboatshop.com>. This should speak volumes for the type of quality and pride this boat was built with as all custom finish shops in Maine are not the same and Farrins is one of the best and held in high regard.

The vessel was originally built for a a navy officer who attended Harvard after leaving the US Navy and became a prominent patent lawyer. This was his baby for mo...
