This High performance bow rider has low hours of use on her and is set up for serious water sports with its ski/wake board tower

This Monterey 234 was purchased by its second owner and is used regularly and is serviced as required. The open bow design allows the ease of use with multiple people for both cruising and sports. This boat has been equipped with a professional welded aluminum ski and wake board tower. This boat also has an enclosed porti poti with 9 gallons of fresh water The boat has a fresh water wash down and also sports an integrated sun cushion which can be unfolded in the transom area. The boat also has an integrated swim platform with swim boarding ladders located on the platform and the bow for easy entry from the water into the boat. This boat is...
