## ONLY 20 HOURS ON THE WATER!! WOW!!

When I approached this boat the seller was wiping down clean surfaces on a boat that looked like it had just come off of the showroom floor. When I realized it only had 20 hours on it, I understood why.

After questioning the seller a little about his boat I knew that he had spent a lot more hours maintaining his boat than having it on the water. You know you have a serious experienced boater when he starts telling you about the products he uses to clean it with and that he is old school with a tooth brush and Q Tips.

Walking around the boat i normally look for dock rash and scratches. I circled this boat twice an...
