### Excellent condition!

Baja boats mean performance. This one is no exception. This freshwater beauty will top out at 70 MPH. Certainly all the power you need for a thrilling day on the water. The Mercruiser 377 Mag is as reliable as it is powerful. Linked to a Bravo One outdrive gets you up and going and keeps you on the water. Chill out on the aft sun pad or drive off the back for a quick cool down swim. Owner really loves the performance of this boat both at high speed and even with there is a light chop. The deep V cuts through the waves.
